

# McGurn Endowed Speaker Series: Public Engagement in Science

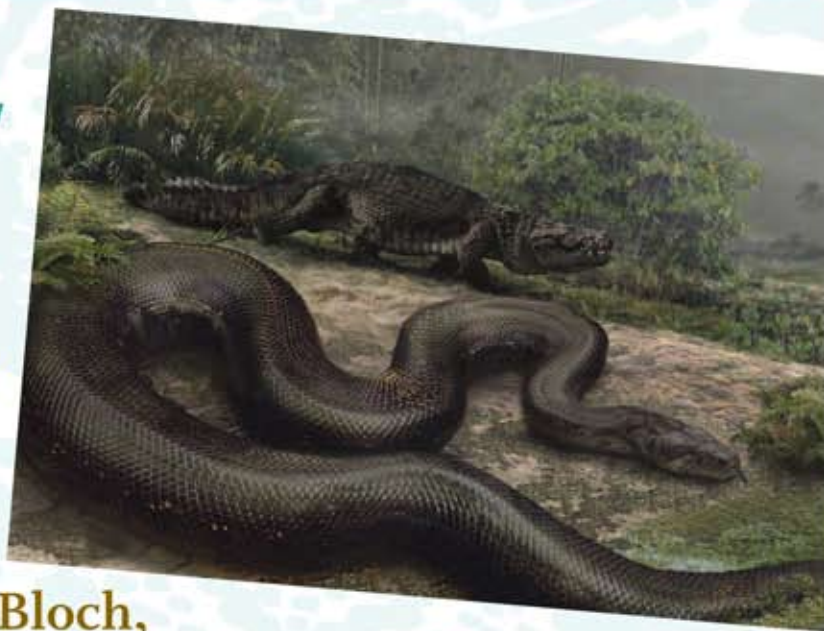

March 12,  
4-5 p.m.

*Titanoboa:  
The science  
behind  
the story*

by Jonathan Bloch,  
associate curator  
of vertebrate paleontology

Join the Florida Museum of Natural  
History for an engaging presentation  
and lively discussion about the discovery  
of the largest snake that ever lived.

Admission is **FREE**. The McGurn Endowed Speakers  
Series was made possible by Ken and Linda McGurn.  
Call 352-273-1901 for more information.
